

**TRIED
AND
TRUE**

CONCRETE DISSOLVER

REMOVES CONCRETE IN **UNDER 5 MINUTES**

Manufactured in

CANADA

PRODUCT OVERVIEW

Spray it once and watch the concrete melt away! This product is an acid cleaner used to clean concrete, remove mortar from trucks and equipment, and remove scale and rust. It contains a special blend of acids, inhibitors and detergents. Our tried and true formulation makes for a **concrete dissolving powerhouse**.

APPLICATIONS

Concrete	Equipment
Cement	Stone
Lime	Glazed tile
Brick & Mortar	Maintenance
Portland Cement	Machinery
Paving	Vehicles

INDUSTRIAL

- ✓ MINIMAL WAIT TIME
- ✓ FOAMING ACTION
- ✓ FAST-ACTING

**WORKS ON
MORE THAN
JUST CONCRETE!**

USAGE GUIDELINES

CONCRETE AND MORTAR

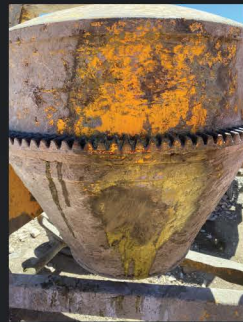

For removal of mortar from trucks and equipment, use at full strength for best results. Rinse surface well with water.

SCALE AND RUST

Dilute the product with water to desired strength. Start with a light dilution, and add more product if necessary. Rinse surface well with water.
