

NON-ETCHING ALUMINUM BRIGHTENER

This product is a ready to use formula which contains biodegradable surfactants and a highly effective blend of acids. It will restore and retain polished aluminum, stainless steel and hard chrome.

It can be used on RVs, bulk carriers, wheels, fuel tanks and dump trucks to remove road film, soot, dirt, oil and corrosion, leaving your surfaces shining brilliantly!

DIRECTIONS

Apply in small sections of 1m - 2m from the bottom up.

Spray a thin film of product to the section. Wait 2 minutes and rinse thoroughly.

NOTE: Avoid using product on hot surfaces. Do not allow concentrated product to dry on surface.
